ECOMMERCE OFFERS

same job, very different price...

ONE JOB, *two* PRICES

—	hand wash: Softsoap vs Aesop	**$1.24 / $46**
—	earplugs: Mack's vs Loop	**29¢ / $24.95**

nobody needs cleaner hands at $46. four levers make the price feel fair...

prices as listed online

LEVER 01 / 04

PICK WHO IT'S *for*

the cheap one sells clean hands. the premium one sells the bathroom you want people to see...

if your ad talks to everyone, price is the only thing left to compare.

→ "this is for people who _____"

LEVER 02 / 04

THE OFFER MAKES THE PRICE *fair*

expensive earplugs come with tips in three sizes, a case and a trial. it stops being the price of an earplug...

–	one item at $40, you keep	**$15**
–	a full kit at $65, you keep	**$27**
