what was reported...

THE *exits*

—	Huel, bought by Danone	**over $1.1B**
—	Grüns, bought by Unilever	**$1.2B**

both in 2026. figures as reported; the buyers didn't publish the price...

STEP 01 / 04

WHAT PEOPLE ALREADY BUY, MADE *easier*

Huel made a complete meal effortless. Grüns joined two things people already bought: gummies and greens...

you don't need a new idea. read the 3-star reviews in your category.

STEP 02 / 04

THE FIRST FANS CAME FROM *one* *place*

early customers came from one community that already cared...

→ write your first ads for the group that wants it most

STEP 03 / 04

THEY SELL A MONTH, SO THEY CAN *pay more*

–	one $40 jar, you keep	**$15**
–	a month for $65, you keep	**$27**

about 80% more room per customer. that's how they outbid you...

example numbers

STEP 04 / 04

PROOF THAT MATCHES A *monthly habit*

when you sell a month, people need to believe it'll work for a month: what's inside, why it costs that, how it fits their day...

five stars aren't enough for a monthly commitment.

start with step 3, it's the

FASTEST

one to copy this week. what would a month of your product look like?
