ECOMMERCE OFFERS

STEP 01 / 06

WHAT THEY *really* BUY

not a bag of coffee. a better morning they don't have to think about...

→ read the 3-star reviews in your category

STEP 02 / 06

WHAT ONE BAG *leaves you*

—	a $40 bag, you keep	**$15**
—	at 20% off, you keep	**$7**

every discount comes out of that $15, not out of the price...

STEP 03 / 06

WHY THEY *wait*

- ✕ not sure they'll like it
- ✕ not sure how to brew it
- ✕ sure it'll go on sale anyway

STEP 04 / 06

ONE OFFER PER *reason*

01 not sure: a starter kit with a guarantee

02 how to brew: a scoop and a guide in the box

03 waiting for a sale: 2 bags for $65

STEP 05 / 06

DO THE *math*

—	20% off one bag, you keep	**$7**
—	one bag at $40, you keep	**$15**
—	2 bags for $65, you keep	**$27**

STEP 06 / 06

TEST *one*

run one offer for two weeks against your line. Huel and Grüns grew the same way: they sell a month, not a unit...

→ a better reason to buy, not a lower price
