for supplements,
the biggest month is

JANUARY

and it can lose you the most money...

ECOMMERCE OFFERS

sell the whole

QUARTER

in one box, with the guarantee in plain sight...

synced.graphics

ECOMMERCE OFFERS

what each order leaves you...

ONE TUB VS *90 days*

—	one tub at $40, you keep	**$15**
—	90 days for $99, shipped once, about	**$47**

same customer, same ad, three times the room...

example numbers

WHY JANUARY HURTS

ONE TUB IS THE WORST *first order*

most people feel nothing from the first tub, so they don't come back...

you paid for a customer who left.

THE PAGE

A STRONG OFFER NOBODY COULD *see*

a supplement brand we looked at had its guarantee buried in the footer, and two different free-shipping amounts...

✕ guarantee in the footer

✓ guarantee by the buy button

THE ADS

THREE ADS FOR *January*

01 the routine, in customers' words

02 the 90-day offer and the guarantee

03 reviews about sticking with it

no health claims. only what you can back up.

THE PAGE CHECK

BEFORE JANUARY, *check*

01 one main offer, not five pack sizes

02 the guarantee next to the buy button

03 one shipping rule, everywhere

sell the habit, not the

TUB

test the 90-day offer this January...
